Media: College radio and TV stations, MUCH Music, CITY TV, CFTO, CBC, Rogers and Global TV in Toronto

Tagline: Making Magic in a Real Reel World

Synopsis:

On a last minute whim, aspiring comic magician **Alex Kazam** and his partner aspiring musician/apprentice magician, **Bella Muerta**, decide to enter a movie competition. They invite aging hippie/K-8 teacher friend **Mr. M** to be director because he can put the \$225 entrance fee on credit. Hard drive failure means they have to cobble together old promo news clips from the web to make a trailer minutes before deadline.

So begins an exploration of the life of Canadian magicians from the perspective of a young comedy magician struggling to make his way in the world of conjuring. Without funds, crew or equipment they fight hoards of werewolf, vampire & zombie flicks and a few good docs to complete their documentary. Tricks, illusion magic and humour are revealed along the way.
