FOR QUESTIONING

JESSICA BARRAT

ARTIST RENDITION

Jessica is a principal character in the feature film **WOLFCOP**.

She has a strong personality and is fiercely independent with a mysterious, seductive side. She is a classic femme fatale.

Jessica has always dreamt of selling the bar she owns in Woodhaven and leaving the small town behind, however something is keeping her there. The film's protagonist officer Lou Garou is attracted to her, but cannot bring himself to act on his feelings. At least not until his newfound courage is unleashed - in the form of a werewolf's curse.

Jessica knows more than she cares to admit about the town's dark past. She is a woman with many secrets.

Log Line

It's not unusual for alcoholic cop Lou Garou to black out and wake up in unfamiliar surroundings, but lately things have taken a strange turn; crime scenes seem oddly familiar, Lou's senses are heightened and when the full moon is out, he's a rage-fueled werewolf.
